# Moving the Mission Forward

By Todd Fuller, CFO

In 2016, Virginia Baptist Foundation continued its work of moving the mission forward for both individuals and churches. Through charitable estate planning and money management, the foundation has passionately devoted itself to expanding ministries throughout Virginia.

Since 1923, the foundation has encouraged Christian stewardship and provided opportunities for individuals to make long-lasting impact with their accumulated resources. Throughout the year, devoted Christians generously contributed gifts of cash, real estate, stock and bonds, retirement accounts, life insurance and much more, creating an example for others to follow.

The foundation also has worked with Virginia Baptist Churches and nonprofits to both invest and disburse funds. Adhering to prudent investment policies and relying on Vanguard's investment expertise, the foundation took a long-term, cost-effective approach to fund management. During the year, managed funds topped \$130 million. Whether a church or organization had an endowment, building, cemetery, memorial, scholarship or other funds, the foundation assisted with the establishment, management and promotion of these dollars while maximizing ministry possibilities.

**REPORT OF INDEPENDENT ACCOUNTANTS**

The Officers and Board Members  
Virginia Baptist Foundation, Inc.  
Richmond, Virginia

**Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of the Virginia Baptist Foundation, Inc. and Subsidiaries (collectively, the "Foundation"), which comprise the consolidated statements of financial position as of December 31, 2016 and 2015, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

**Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Virginia Baptist Foundation, Inc. and Subsidiaries as of December 31, 2016 and 2015, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States.
